This book, entitled “A to Z Inspirational Text Snippets (In Verse)” is dedicated to my parents (deceased) Maria and Annie Joseph who brought me up as a true Christian and for instilling in me Christian principles and commandments.

To my siblings, Mary (deceased), Margaret Rose, Catherine, Cecily (deceased), Florence Clare, Teresa Sekina and Agnes Rani, I would like to say a big ‘Thank You’ for their prayers, moral support and love. May the principles in this book guide us in our own spiritual awakening and transformation.

FOREWORD

Dr Elizabeth Jaya Joseph, the well-liked Malaysian author to many, apart from her abilities and capabilities, has used her vast knowledge, expertise and experience to write and publish this on-line book entitled, “A to Z Inspirational Text Snippets (In Verse).”

This author seems to have the energy of someone much younger than her age. Even after her retirement from government service, she seems to go on writing, as it is her passion. This book which is the eleventh book in her collection, covers 130 inspirational snippets that would appeal to anyone who is interested in being inspired and want to be a source of inspiration to others.

The Author tells me that 130 text snippets were chosen for this book as it reminds her of the number’s great significance in the Scriptures, especially in the areas of Genealogies and the ages of the Patriarchs such as Adam and Abraham’s father.

The inspirational snippets cover a wide myriad of interesting topics that would inspire all kinds of people, who love to read as a pleasurable pastime. The snippets are all arranged in alphabetical order from the Letter A to the letter Z in 26 Units. It is obvious that great time and effort have been put in organizing and writing this book. Perhaps, it is the only inspirational book available that is written in verse form, where in every stanza, the ending words rhyme and are of the same length where the number of words written are concerned.

This is not an easy book to write, as a person not only has to possess a good command of the language needed but also other abilities such as suitable vocabulary and good sentence structures. For these reasons and more, this is an outstanding book, par excellence. A book worth investing in, reading and treasuring.

PREFACE

The books available that are focused on a variety of inspirational topics, let alone written in verse form, are not common. This book entitled, “A to Z Inspirational Text Snippets (In Verse),” will appeal to both youths and adults. It is written with the aim of inspiring people in all aspects of life, especially in their personal and working lives.

The inspirational topics are arranged in alphabetical order, starting with the Letter A in Unit 1 and ending with the Letter Z in Unit 26, as stated in the content pages. Apart from the alphabets X, Y and Z that each have three, four and two topics respectively, the rest have at least the minimum of five topics each.

By reading the Inspirational snippets, one can automatically and subconsciously, absorb the messages inherent in the topics such as those touching on conduct, character and life issues; personal and workplace matters; communication with others; career development; leadership qualities; and many others.

This book will be especially useful to teachers and lecturers who are asked to teach subjects like Civics and Personal Development. They could also use suitable snippets to inspire their students before starting to teach or lecture on their own subject areas for the day, like science, history or geography.

This compilation of inspirational snippets could be a springboard to stir one’s interest to appreciate and indulge in other inspirational topics written by other writers and poets.

Thank you for purchasing this book as it is for a good, charitable cause. God bless always. God has always been my faithful guide, inspiring, motivating and giving me ideas to complete not only this book but also all my other books. To God, be the glory.

Dr. Elizabeth Jaya Joseph
